Who We Are

Bringing churches together to meet needs in Clare County for Christ.

His Helping Hands opened in Farwell 2010, then under the organization Love Inc. In 2016 we were presented with the opportunity to separate from Love Inc. and have better utilization of money donated. As an independent 501c3 we opened our doors in Harrison, partnering with area churches and became His Helping Hands of Clare County. Over the years we have served 3,319 unique households in Clare County by utilizing the monies donated by individuals, businesses and churches along with fundraising.

One church or agency cannot meet all the needs in our county. His Helping Hands brings resources together so more needs can be met.

How We Serve

His Helping Hands is a call center operating year-round Monday – Thursday 10am to 2pm taking time out of the office on holidays. We are not an emergency service - it takes time to process each intake to be sure all decisions are made to the best of our ability. We take time to vet each request to cut down on scams or needless requests that could be better helped in another way. We work with other agencies in the community like MMCAA, DHHS, Salvation Army, United Way, and veteran's administration

His Helping Hands of Clare County is supported by donations from Individuals, Churches, Businessesand Fundraising.

We are 100% privately funded and receive no federal or state funds. We are a 501(c)(3) non-profit organization.
